Session Description:

Strong Early Learning Programs in your district can have an impact on school success. Title I can support local efforts to create strong early childhood programs. This session outlines educational and economic impacts of quality early childhood education. We will discuss blending and braiding of financial resources and the "Serving Preschool Children under Title I" guidance so that an LEA will be able to establish quality programming that will impact school readiness and address school improvement efforts.

How the session addresses Innovation:

Investing in high quality preschool.
